LICENSE GRANT

After confirmed payment, Soundtrack.Today grants the Licensee a non-exclusive, worldwide, perpetual license to synchronize and use the Track across an unlimited number of creative and commercial projects.

The license covers the original WAV and FLAC masters and the saved current mix, if rendered. Completed projects may be monetized and distributed on any platform.

Permitted uses include films, videos, games, apps, podcasts, advertising, client work, livestreams, social media and live events.

The Track may not be resold or redistributed as standalone audio, registered in Content ID, claimed as the Licensee's own work, or used for AI or machine-learning training.

This certificate records the purchase. The full Terms of Service in effect on the purchase date govern the license: <https://soundtrack.today/terms>
